CIRCLE OF COURAGE

The Virtues

Both are in every part of life at SMVS,
in the class or out.

*Preparing students as they move from grade to grade
and into a job.*

Our everyday year around virtues are
"RESPECT" & "RESPONSIBILITY"
I treat others and myself as we deserve to
be treated.

April Virtue:

Excellence is doing your very best, every
time. People who don't practice excellence
just do things halfway. Doing your best
helps you find out what talents you have.
You may discover something no one has
ever thought of before. When you practice
excellence, you can make a difference in
this world.

SMVS Students are heading to Prince Albert to perform in the 25th annual fine arts

THE SPORTS PAGE (& OTHER SUBMISSIONS)

Spring

Spring is here, let's give some cheer!

Flowers bloom, trees grow, water falls, wind blows.

Bees buzz, kids play, say hooray!
Spring is today!

Spring is Awakening

Wake up

The bears are awaking

The leaves are growing on the trees

The snow is melting

The birds will start singing

The farmers will awaken

No time to rest

Seeds need planting in the

Garden like the rest

Grow grow all spring n summer long

The eggs are hatching

The animals are being born

The plants n flowers are grow all around

It gets warmer n warmer day by day

But soon it will be cold just you wait

By Kierstin Thompson, Grade 7 / 8

ALL ABOUT NATURE

Whether one is watching a thrilling thunderstorm looking up at a mighty tree, the experience of nature is one of awe. One cannot help but marvel at the intricate design of a single leaf, or the roar of a great waterfall. Time spent realizing that you don't know it all and that you never will. The earth is meant to be enjoyed by its inhabitants. That includes keeping it in the pristine condition in which it was discovered. Everyone has a part of the earth that they relate to the most. Whether it is a majestic mountain range, a roaring waterfall, a bouquet of flowers, or the calm of the woods, these are places to get to know oneself and build bonds with family.

SMVS SPORTS UPDATE

It has been a very busy month for sports at SMVS our students have been participating in skiing, basketball, badminton, volleyball and fitness workouts.

On March 8 our Jr. girls basketball team played the Churchill Chargers at the new Churchill gym. The girls started out slow in the game but held Churchill to just 4 points in the second half of the game. The final score in the game was 28-20 Churchill. The girls have been practising very hard and working with Coach McMillan on a daily basis. Our grade 5-6 basketball players played some games as well this month. They had an exhibition game vs Pre Cam at Senator, and participated in a tournament at Gordon Denny School on March 12. Great job to coaches Mrs Billette and Mr. Aldridge for taking the time to work with the kids in basketball—their little smiles prove how valuable you are to them!

The Northern Sask School Ski Championships were held at the Don Allen Ski Trails March 12/16. There were over 10 schools from across northern Saskatchewan that attended the championships and I am proud to say SMVS had 12 students racing from grades 5 to 8. Great job to the students and I am looking forward to running our ski program next year! SMVS Jr. girls broomball team travelled to Deschambeault on March 14/16 to participate in a one day tournament. The girls came in 2nd place once again losing to Montreal Lake in the finals! We will eventually get that gold girls! Keep playing broomball and thanks to coaches Mrs Charles and Mrs McKenzie for coaching and travelling with the team throughout the year.

PAGC Jr/Sr badminton Championships were held at the Senator Allen Bird Gym on March 21 and 22nd. Our Sr team travelled to PA on March 21 we had 7 senior students participate. In singles Paul Charles won gold, girls doubles silver for Raven McLeod and Seekwun Adams, bronze for boys doubles Elijah McKenzie and Adrian Charles and silver in mixed for Raven McLeod/Paul Charles. Seekwun also got bronze in girls singles! Excellent job seniors!! Our junior team faced some very skilled badminton players on March 22nd and did not place! However we will keep practising and hopefully place next year! In April our badminton players will be participating in the SHSAA badminton districts.

SMVS Sr girls volleyball team is continuing to practise as well for next season thanks to coach McMillan and his efforts in working with the

team. Both our Sr boys and girls teams will doing some fundraising in the coming months ahead in order to raise funds for the team to travel in the fall so we hope to see some community support. Thanks to the coaches and LLRIB support for another successful month of sports at SMVS! The students who participate enjoy it and work hard in school in order to participate. I also want to wish our Team Woodland athletes good
