2016-2017 School Year

Welcome back staff & students. The 2016-2017 School year is here.

This is a very exciting time of year! SMVS sports, clubs, events, and other extracurriculars are coming up fast. Read This newsletter to get all of the info you need to have a great start to the year.

CIRCLE OF COURAGE

Part of the everyday school experience

CIRCLE OF COURAGE starts with BELONGING - Let's make the new students feel welcome to the school. It starts with an honest and respectful greeting such as "Good Morning". Try it. The Virtue of Respect help newcomers to feel like they belong in the school. In the words of Chief Dan George:

"There is a longing among all people and creatures to have a sense of purpose and worth. To satisfy that common longing in all of us we must respect each other"

MESSAGE FROM THE PRINCIPAL

Dear students, parents, and care givers:

My name is Robert Whiteman and I am the new Principal at SMVS. I am new to the community and have had a warm and friendly welcome by the people I have met already and by the employees. I have been an educator for the past 17 years and have worked previously at Sturgeon Lake, Beardy's and Okemasis, and at Saskatchewan Indian Institute of Technologies. Before becoming an educator I worked in commercial construction and spent 9 years in the Canadian Reserve Forces out of Prince Albert and Saskatoon. I have been married 25 years and have one 21 year old daughter going to University. By all accounts I have heard positive comments about the staff and students so I hope to build on the progress that was made in the past year and make SMVS an even more fun and exciting place to be where our students will learn and enjoy themselves. We will continue to have a breakfast and hot lunch program and continue to grow our extra-curricular programs. Our main focus will be increasing literacy and math skills and incorporating language and culture into the curriculum. I want to extend an invitation to our parents and care givers to come and visit our school any time. We will try our best to keep you up to date on events at our school through newsletters, facebook and through radio announcements. Our Facebook name is "Senator Myles Venne School General Information Page".

SMVS Phys Ed Update

Welcome back students, parents and staff for the 2016-17 school year! I am looking forward to working with you all once again in the gym and on our sports teams. This year every student will have an opportunity to participate in sports. Our grade 5 and 6 students are entered into a league for volleyball, basketball and flag football with Pre Cam and Gordon Denny schools. The inter school extracurricular league will run throughout the year. Our juniors from grades 7 to 9 will have opportunity to join teams as well. Volleyball and X-Country running will be starting the first week of school for all students interested. I look forward to seeing students interested sign up! Sign-up sheets will be posted and remember if you sign up you must show up to practice, do not expect to play if you do not practice!

I would like to remind athletes from SMVS that sport is a privilege in our school. If you are not completing your assignments in class you will not be allowed to participate in sports. Education comes first so please remember that and respect your teachers.

Let's all have a great 2016-17 school year! Remember to treat everyone equally, drink water and have a great work ethic.
