**"This above all: to thine own self be true,
And it must follow, as the night the day,
Thou canst not then be false to any man."**

— William Shakespeare, *Hamlet*

Learn about light, electricity, robots, technology and more!

CIRCLE OF COURAGE Part of the everyday school experience

CIRCLE OF COURAGE starts with BELONGING - Let's make the new students feel welcome to the school. It starts with an honest and respectful greeting such as "Good Morning". Try it.

The Virtue for the month of March is Truthfulness:

Tāpwīwakīthihtākosiwin

Truthfulness is being honest in your words and actions.

You don't tell lies even to defend yourself.

Don't listen to gossip or prejudice.

See the truth for yourself.

Don't try to be more than you are to impress others.

Be yourself, your true self.

THE SPORTS PAGE (& OTHER STUFF)

Hello SMVS Huskies sports fans! Our school basketball program is continuing to shine as we have our 5 teams that continue to practice. On March 2 our grade 5/6 will be travelling across town to take on the Pre Cam school team we have a 1-1 record with them this year. After our game vs Pre Cam we will have one more game vs Gordon Denny then hopefully end off the year with a tournament, the tournament date has yet to be determined as I am waiting to hear back from GDS. Good job to coach Bear with the younger kids in basketball!

March 1 our Sr boys and girls will be facing off against Montreal Lake basketball teams at SMVS main gym. Parents and guardians are encouraged to come watch the games will start at 1 PM.

Our junior girls and boys teams continue to practice. The girls will be travelling Hall Lake on Friday March 3 for a game. The boys have only played Churchill this year. I have tried to set up games against other surrounding communities but there are some schools that do not have basketball teams. I will continue to coach and practice our junior teams as it helps to build up our youth in basketball.

High school hockey tournament will be happening at JRMCC on March 7. The schedule for the tournament will be posted on our Facebook page so if you are interested in coming to watch please go to our Facebook page for more information.

Thanks

Eric Gardiner

?? RIDDLER'S
CORNER ??

What two things can you never eat for breakfast?

What is brown and sticky?

What sound does a Cree person make when they fall in the water?

February Answer: Wherever Ostriches live! Gotty!

Aboriginal Storytelling was a Success!

We had 43 elders join us for a meal and entertainment. Music by Ralph Opikikew and Jude Ratt, jiggers, storytelling by Albert Ross and Bella Sanderson. The highschool students did an awesome job helping with the dinner and serving elders. We had the grade 5 class Mrs. Billette decorate the gym which turned out very nicely! Ikosi.
