Mother – Daughter Night at Sally Ross School

On Saturday March 10th and Sunday March 11th Katelyn and I held a Mother-Daughter night at the school. We had 15 mothers and 34 daughters that came out and joined us.

We had a great time doing several different activities. The ladies went sliding, had hot chocolate, did some baking, made pizzas, played board games and watched a movie. That was all on the first day! They also made breakfast, and the ladies did makeovers, doing makeup, nails and hair. We then had lunch and the ladies did crafts.

The weekend was a great success and I hope that we will be able to do many more of these events at the school.
