EDUCATION DEPARTMENT

November 10, 2020

Please be advised that as of **Monday, November 16, 2020** all LLRIB Education schools will be transitioning away from Blended Learning to full-time, everyday school. Students who were formerly attending weekly are now expected to attend school regularly and daily.

Students who are Distance Learning 100% Online or 100% modules are free to continue in their programming and are not required to return to school. Students are always welcome to return when they feel they can do so safely.

We thank you for your cooperation
