What We're Learning

ELA: We continue to work on our Alphabet letters and sounds.

Math: We are learning how to count to 20. We began a new math unit on 2D shapes.

Land Based: Students were able to attend the Land Based camp for a few afternoons. They learned how a rabbit is snared, skinned and cut into pieces to be cooked. Students also went for a ski-doo ride to look at tracks. The next day they ate rabbit soup with Bannock.
